## WHAT DOES THE EXTERIOR OF YOUR COMMERCIAL PROPERTY CONVEY TO POTENTIAL CLIENTS & INVESTORS?

Don't let your beautiful building disappear from the skyline after dark. Transform your structure into a majestic sight that attracts attention and increases your investment, with a unique Vincent Lighting Systems package.

## QUALITY ARCHITECTURAL LIGHTING ...

- **PROVIDES** a personalized signature for your building, unlike others in the skyline.
- **HIGHLIGHTS** the unique architectural details of your property.
- **DISPLAYS** varying color themes, which allow you to customize the look for holidays or to support local sports teams or special causes.
- **CREATES** a sense of place, enhances awareness and attracts attention to your property.
- **PROMOTES** an inviting atmosphere, setting you apart from neighboring buildings.

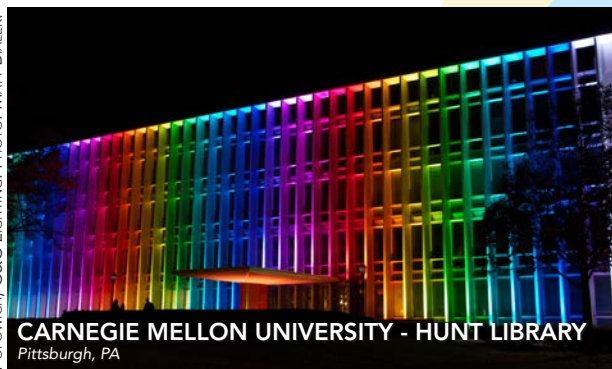

## VINCENT LIGHTING: EXPERIENCED AND RELIABLE

- Since 1978, Vincent Lighting Systems has designed, renovated and supplied thousands of entertainment and architectural lighting applications, including hundreds of exterior facades.
- Experience can mean the difference. Our reliable, professional team has over 500 years of combined experience, ready to focus on your project and budget. We have developed long-term partnerships with many of our vendors, including being fully certified to program systems, train personnel and service all of the equipment.
- Vincent Lighting ensures proper light levels and controls, programs custom-changing colors at designated dates and times, and ensures that the automated system will work with other electronic components of the building.
